Reply of Government.—Referred to the Chief Engineer for investigation.

Subject No. 337.

(a) Re-transfer of the Munsiff's Court to Nelamangala.

Mr. D. Dasappa.

(*a*) *Summary of discussion.*—The transfer of the Munsiff's Court from Nelamangala has caused much inconvenience to parties, inasmuch as clients from Hoskote, Nelamangala and Devanhalli taluks cannot attend the Court at proper hours in consequence of the long distance they have to travel. Its re-transfer to Nelamangala is solicited. If this cannot be done, it should be held at Yelahanka where a building is available, or otherwise the Court may sit for two or three months at each Taluk Head-quarters, or, if not, the people would prefer Bangalore, which is nearer to parties of these places than Dodballapur.

Reply of Government.—Noted.

(b) Civil Jurisdiction of the Hoskote taluk.

(*b*) *Summary of discussion.*—The Additional Munsiff's Court at Bangalore had the Civil Jurisdiction of the Hoskote taluk, but after the establishment of one at Dodballapur, it is attached to that court. As it greatly inconveniences the parties, it is requested that the Civil Jurisdiction of the taluk may be re-transferred to the Bangalore Munsiff's Court.

Reply of Government.—Referred to the Chief Court for a reconsideration of the question.

Subject No. 338.

Repairing Kudaragere and Yelachagere tanks.

Mr. D. Dasappa.

Summary of discussion.—Remission of half the assessment is granted for lands under Kudaragere and Yelachagere tanks, which fell into disrepair some six or seven years ago. Their repairs should be undertaken early. This will be beneficial both to Government and to raiyats.

Reply of Government.—Noted.

Subject No. 339.

Grants of lands within the series of Hessarghatta tank for cultivation.

Mr. Ramachandrappa.

Summary of discussion.—It is prayed that, out of the lands reserved as lying within the series of the Hessarghatta tank, such as are not required may be granted for cultivation. At present they are not granted even for grazing purposes.

Reply of Government.—It is understood that the Chief Engineer has allowed lands, not required to be reserved, to be granted for cultivation. The matter is referred to the Deputy Commissioner.

Subject No 340.

Water from Sri Chamarajendra Water Works to be given free.

Mr. B. Gangiah.

Summary of discussion.—In memory of our late lamented Maharaja Sri Chamarajendra Wodeyar Bahadur, we pray that Her Highness the Maharani-Regent may be pleased to extend her benevolence and charity by giving the loyal population of Bangalore drinking water free from the Chamarajendra Water Works.

Reply of Government.—Noted.

Subject No. 341.

Free grant to the City Municipality.

Mr. B. Gangiah.

Summary of discussion.—The incomplete sanitary works started in the Bangalore City are likely to cause more harm than good if they are left as they now are. We pray that the Government may be graciously pleased to

make a further free grant towards their completion and for the further opening of conservancy lanes in the congested parts of the city.

Reply of Government.—Noted.

Subject No. 342.
Relieving the City Municipality of certain charges.
Mr B. Gangiah.

Summary of discussion.—Owing to the extremely unsatisfactory state of the finances of the City Municipality, we pray that, in consideration of the Local Cess and Abkari Revenue of the city not having been made over to the Board, the Government may be pleased to relieve the Board of the Education, Medical and Charitable charges, to enable the Municipality to better attend to the growing sanitary requirements of the city and to combat the dreadful pestilence of plague etc.

Reply of Government.—Noted.

Subject No. 343.
The term of Members to be extended.
Mr. B. Gangiah

Summary of discussion.—Government may be requested to hold the Municipal elections in the Bangalore City once in five years, as the present term of two years is not sufficient to enable a member to acquire a thorough knowledge of the Laws and Regulations of the Municipality and do justice to the requirements of the division he represents. Nominated Commissioners are now allowed to sit for five years. Elected Commissioners may be treated in the same way.

Reply of Government.—Noted.

Subject No. 344.
Road from Bidadi Railway Station to Maralvadi.
Mr. Shamanna.

Summary of discussion.—The opening of a new road from Bidadi Railway Station to Maralvadi, *via* Harohalli, is urgently wanted so as to join the Sivasamudram and Kolar Gold Fields road.

Reply of Government.—Referred to the President, Local Fund Board.

Subject No. 345.
Assignment of gomal land to the cattle of the Maralvadi village.
Mr. Shamanna.

Summary of discussion.—No gomal land is assigned in the village for the cattle of Maralvadi. Lands of the neighbouring depopulated village of Bhantavalu may be assigned for grazing purposes.

Reply of Government.—The matter may be represented to the Deputy Commissioner.

Subject No. 346.
Grant of gomal land.
Mr. Shamanna.

Summary of discussion.—The present assignment of 500 acres of gomal land for the 2,500 head of cattle of Harohalli is quite insufficient. It is therefore requested that 200 acres of grazing land available from the depopulated village of Maralagere may be granted for the purpose.

Reply of Government.—The matter may be represented to the Deputy Commissioner.

Subject No. 347.
Harohalli to be made a Municipal town.
Mr. Shamanna.

Summary of discussion.—Harohalli consists of 500 houses and has a population of 2,000 inhabitants. It may be made a Municipality.

Reply of Government.—The matter may be represented to the Deputy Commissioner.
